

VI PEEL®

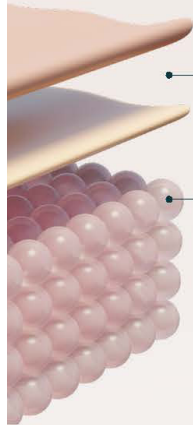

Skin confidence
starts *here*

VI Peel® is the first corrective
chemical peel to safely and effectively
treat ALL skin tones

SKIN VITALITY POWERED BY VI PEEL®

From compromised skin, to confident skin™

VI Peel® helps skin look and act young and healthy again by jump-starting cellular turnover for smoother, firmer skin

MOST CHEMICAL PEELS STOP AT THE SURFACE

VI PEEL® IS DIFFERENT

VI Peel® reaches deep into the dermis, promoting cell turnover and boosting collagen and elastin production for optimal skin health.

VI PEEL® IS FOR YOU

If you're looking to achieve:

Improved tone & texture

Fewer dark spots

Softened scars

Firmer, tighter skin

Reduced acne

Smoothed fine lines & wrinkles

Treatment of melasma and dark spots
Results after a series of 3 VI Peel® Precision + Peptides treatments

Treatment of melasma and fine lines
Results after a series of 3 VI Peel® Precision + Peptides treatments

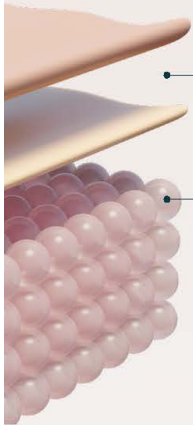

One is a treat, three is a treatment.

VI Peel® is recommended to be completed in a series. Ask your provider which VI Peel® series is best for your skin transformation goals.

20 years. 20 million skin transformations.

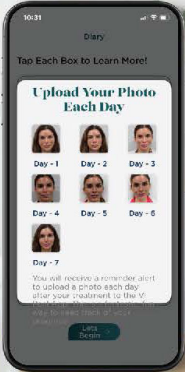

OUR STORY

Vitality Institute was founded by Dr. Khalil, who created the revolutionary VI Peel® as a solution for his eldest daughter Marya's hormonal, cystic skin

Under Marya's leadership, Vitality Institute has grown to offer six medical-grade chemical peel formulations customized for all skin types and tones

The VI Peel® Aftercare app is a “practitioner in your pocket”

Stay on track with your aftercare and document your skin transformation
